Join us in the gym for the Battle of the School Dodgeball Tournament!

Includes Parents vs Kids!

Whichever team has the most players standing at the end of two minutes wins.

Winning team receives the traveling trophy to be displayed in their classroom.

RULES: Six foam balls on the half-court line. All players start on the baseline on their side of the court. A whistle will begin the game.

A player is deemed “out” if the ball touches their body BEFORE a bounce.

A player is deemed “out” if the ball throw by the player is caught by an opposing player BEFORE a bounce.

Players can rotate in (or back in) once a teammate catches a ball throw by an opposing player.

Players holding dodgeballs must throw the ball within 10 seconds. If the ball is not thrown in 10 seconds, the player holding the dodgeball will be called “out.”

When the scoreboard buzzard goes off at the end of two minutes, all players remaining on the court must freeze in position so the refs can make an accurate headcount to determine the winning team.
